NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, does hereby approve the issuance of SUP 13-04 as described herein with the following conditions:

1. This SUP shall be valid for the operation of a hotel with a 15,000-square-foot building footprint, and accessory uses thereto. The hotel shall be limited to a maximum of 36 rooms.
2. The property shall be developed generally in accordance with the conceptual layout submitted with the application titled "Conceptual Layout of Country Inn and Williamsburg Winery" prepared by Patrick Duffeler, dated March 22, 2004, with minor changes approved by the Development Review Committee.

4. Prior to the issuance of a certificate of occupancy, the Inn shall be connected to the James City Service Authority public water and sewer system.
5. The applicant shall be responsible for developing and enforcing water conservation standards to be submitted to and approved by the James City Service Authority prior to final site plan approval. The standards may include, but shall not be limited to, such water conservation measures as limitations on the installation and use of irrigation systems, the use of approved landscaping materials including the use of drought tolerant plants where appropriate, and the use of water-conserving fixtures to promote water conservation and minimize the use of public water resources.
6. There shall not be any special event, party, or gathering on the property, indoor or outdoor, which generates over 1,000 persons per day.

7. Any new exterior site lighting shall be limited to fixtures which are horizontally mounted on light poles or other structures not to exceed 15 feet in height above ground level and shall be recessed fixtures with no bulb, lens, or globe extending below the casing. No glare, defined as 0.1 footcandle or higher shall extend outside the property lines.
8. No outdoor amplified music or loud speakers in connection with the operation of the Inn shall be audible outside the boundaries of the property.
9. Any new signage on Lake Powell Road shall be combined with the existing sign in accordance with Article II, Division 3 of the Zoning Ordinance and shall be approved by the Planning Director. The sign shall only be externally illuminated.
10. Prior to final site plan approval, the applicant shall dedicate to the County or another County approved land conservation entity, a conservation easement of approximately 50 acres, identified on the drawing titled "Williamsburg Farms: Area proposed to be dedicated to Conservation Easement" dated June 2004, substantially in the form of the County's natural open space easement as approved by the County Attorney. The exact boundaries of the conservation easement shall be shown on the site plan for the Inn. The conservation easement shall remain undisturbed and in its natural state. With prior approval of the County Engineer, dead, diseased, and dying trees or shrubbery or poisonous or invasive plants may be removed from the conservation area.
11. Construction on this project shall commence within thirty (36) months from the date of approval of this special use permit or this permit shall be void. Construction shall be defined as obtaining permits for building construction, installation, and final inspection of footings and/or foundations.
12. This special use permit is not severable. Invalidation of any word, phrase, clause, sentence, or paragraph shall invalidate the remainder.
