

RESOLUTION

GRANT ALLOCATION – CLIMATE SHOWCASE COMMUNITIES: ADVANCING

GREENHOUSE GAS REDUCTION THROUGH AFFORDABLE HOUSING – \$303,828

WHEREAS, the Climate Showcase Communities Program of the United States Environmental Protection Agency (EPA) awarded James City County a \$303,828 grant for creating models of sustainable community action that generate cost-effective and persistent greenhouse gas reductions while improving the environmental, economic, public health, or social conditions in a community; and

WHEREAS, the grant program consists of three parts: rehabilitation and energy retrofit to foreclosed homes and resale of these homes, promotion of energy audits and energy retrofits to owner occupied homes, and public outreach and education efforts highlighting the program's ability to reduce greenhouse gases through the preservation of affordable housing.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, hereby authorizes the County Administrator to execute the Grant Agreement and authorizes the following appropriation to the Community Development fund:

Revenue:

EPA Climate Showcase Communities	<u>\$303,828</u>
----------------------------------	------------------

Expenditure:

Advancing Greenhouse Gas Reduction Through Affordable Housing Program	<u>\$303,828</u>
