

MEMORANDUM

DATE: September 24, 2002
TO: The Board of Supervisors
FROM: Jody Puckett, Communications Director
SUBJECT: E-Man Coloring Contest Winners

At the County Fair on August 10, 2002, we inaugurated registration and payment on line for Parks and Recreation classes. The 57 participants colored E-Man, our official mascot for E-Gov, and received a free day pass to a Community Center and their entries posted on the website. The winner in the 0-5 year old category was Isabella Gordineer, in the 6-9 year old category was Morgan Wright, and in the 10-12 year old category was Kristin Bunn. We thank the children and their parents for participating in the kickoff and would invite all of them to participate in other promotional events.
