TO: The Board of Supervisors  
FROM: M. Ann Davis, Treasurer  
SUBJECT: Destruction of Paid Personal Property and Real Estate Tax Tickets

---

In past years, the Treasurer's Office has requested the Board of Supervisors' approval to destroy all paid tax tickets that are at least five years old. In order to destroy such tax records, Virginia Code § 42.1-76 et seq. requires Board approval. Attached is a resolution authorizing the destruction of paid tax records for 1998.

I recommend adoption of the attached resolution.
