

MEMORANDUM

DATE: November 8, 2005
TO: The Board of Supervisors
FROM: William T. Luton, Fire Chief
SUBJECT: Williamsburg Community Health Foundation Grant - \$11,097

The Williamsburg Community Health Foundation has awarded the James City County Fire Department a grant in the amount of \$11,097 for the purchase of Oxlators. The Oxlator is an innovative oxygen delivery device providing quicker and more efficient artificial ventilation to victims of cardiac arrest or who otherwise need rapid administration of oxygen. The Oxlators will replace bag valve masks previously used for artificial ventilation.

Staff recommends adoption of the attached resolution.
