

MEMORANDUM

DATE: July 25, 2006  
TO: The Board of Supervisors  
FROM: Adam R. Kinsman, Assistant County Attorney  
SUBJECT: Wythe-Will Billboard Purchase

---

Attached for your information is an agreement to purchase the billboard situated in the Stonehouse district on the Wythe-Will property located at 6623 Richmond Road. Staff is continually looking for ways to beautify the County's entrance corridors, particularly in consideration of the numerous visitors anticipated for the upcoming Jamestown 2007 activities. Removing billboards from prominent positions along roadways will greatly improve the visual landscape of the County.

Alex Perkins, the owner of the Wythe-Will property, has offered to assist the County in its beautification efforts by agreeing to sell his billboard to the County for a nominal amount. He has further agreed to remove the billboard at his cost within 180 days. If for some reason he is unable to remove it before that time, he has also granted the County a concurrent right to have it removed.

Mr. Perkins' generous donation should be commended as an important first step in the County's continuing efforts to enhance community appearance.
