C. BOARD DISCUSSIONS

1. Comprehensive Plan Update

Ms. Tammy Rosario, Acting Principal Planner, gave a presentation highlighting the Comprehensive Plan Update process at its midpoint.

The Board and staff discussed the makeup of the Comprehensive Plan Steering Committee. Mr. Goodson requested the addition of an Economic Development Authority (EDA) member to the Steering Committee. Discussion was held about avenues for representation and participation by different segments of the community. Mr. Goodson, Mr. Kennedy, and Ms. Jones stated their support for a member of the EDA serving on the Steering Committee. Mr. Goodson recommended that Ms. Jones participate as the Board of Supervisors representative on the Steering Committee. Discussion was held about whether to have one member or two members of the Board of Supervisors serve on the Steering Committee and other ways to broaden and change the Committee structure. Mr. Kennedy supported broadening the membership. Mr. Goodson suggested this matter be discussed at the work session on August 12, 2008.

Mr. Fraley commented that he had received feedback that the Comprehensive Plan process was seen by some members in the community to have too much guidance rather than be a process being built based on citizen input. He also noted that Mr. McGlennon previously contacted him about having two Board members on the Steering Committee and he had no objection to that.

2. CaseTrak Overview

Ms. Leanne Reidenbach, Planner, gave a walkthrough of CaseTrak on the County website, which allows the community to access and track land use cases through the entire application process.
