

MEMORANDUM

DATE: March 10, 2009
TO: The Board of Supervisors
FROM: Sanford B. Wanner, County Administrator
SUBJECT: Alternate Designees for Williamsburg Area Transit Authority (WATA)

James City County is represented by two Board-appointed staff members on the Williamsburg Area Transit Authority (WATA) Board Directors. Assistant County Administrator Doug Powell and James City Service Authority General Manager Larry Foster were appointed to fill these positions.

There are occasions when neither Mr. Powell nor Mr. Foster may be able to attend the WATA meetings. Mr. Allen Murphy, Planning Director, and Ms. Barbara Watson, Acting Manager of Community Services, have been suggested to serve as alternates representing the County on the WATA Board of Directors.

Staff recommends approval of the attached resolution appointing Barbara Watson as first alternate member and Allen Murphy as second alternate member of the WATA Board of Directors.
