

MEMORANDUM

DATE: March 24, 2009
TO: The Board of Supervisors
FROM: Grace A. Boone, General Services Operations Administrator
SUBJECT: Installation of "Watch for Children" Signs – Drummonds Field Subdivision

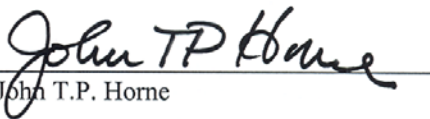

Effective July 1, 1997, the Code of Virginia was amended to allow counties to request that the Virginia Department of Transportation (VDOT) install and maintain "Watch for Children" signs. The law requires that a Board of Supervisors resolution be submitted to VDOT authorizing it to take this action and allocating secondary road system maintenance funds for this purpose.

Residents of the Drummonds Field community have requested that the Board seek approval for two "Watch for Children" signs to be installed on Derby Lane and Mott Lane at the location shown on the attached map. The attached resolution requests that VDOT install and maintain two "Watch for Children" signs on Derby Lane and Mott Lane.

Staff recommends adoption of the attached resolution.
