

DESCRIPTION OF SERVICES

The County Administrator is the Chief Administrative Officer of the County and the James City Service Authority. He is appointed by the Board of Supervisors and is responsible to the Board for the execution of policies it establishes. The County Administrator acts as Clerk to the Board and is expected to handle the daily administrative operations of the County, as well as recommend service and policy improvements, develop an annual budget, generally guide the work of County employees, and ensure that the affairs of the County are conducted in an effective and responsible manner. Also in this budget is the Capital Projects Administrator.

BUDGET COMMENTS

Budget expenditures provide for a continuation of services. Operating expenditures are projected to increase based on actual levels for FY 2000. Additional funds are included in support of the Healthy Community Initiative, which focuses on collaboration between service providers to improve the access of citizens to available services. A replacement vehicle is programmed for the capital projects administrator.
