Total	<u>\$ 25,724,786</u>	<u>\$ 25,045,825</u>	<u>\$ 25,194,547</u>	<u>\$ 25,765,581</u>

BUDGET COMMENTS, Continued

Description

This budget provides for revenue received from the Commonwealth of Virginia in three categories - Non-Categorical Aid, Shared Expenses (Categorical), and Categorical Aid. **Non-Categorical Aid** includes revenues which are raised by the State and shared with the local government. The use of such revenues is at the discretion of the local government. **Shared Expenses (Categorical)** includes revenues received from the Commonwealth for the State's share of expenditures in activities that are considered to be joint responsibilities. **Categorical Aid** includes revenues received from the Commonwealth, which are designated by the Commonwealth for a specific use by the local government.

Change

State revenues estimates for FY 2009 included the elimination of ABC profits and Wine taxes and reductions in HB 599 and Wireless Board Payments. In addition to those targeted reductions, the State has indicated that they will reduce Aid to Localities by 4.2 percent of the State's General Fund allocation, not including the "Car Tax" relief or State Aid to Education. Included in this budget proposal is an estimate of this reduction with the expectation that the State will provide a more accurate number before this budget is adopted.

The State Car Tax Reimbursement is the State's share of the "No Car Tax" initiative and it has the following impact on local taxpayers:

	<u>FY08 Adopted</u>	<u>FY08 Projected</u>	<u>FY09 Proposed</u>	<u>FY10 Proposed</u>
<u>"Car Tax" Impacts</u>				
Local Collections	\$14,207,457	\$14,589,292	\$16,104,263	\$17,560,212
From the Commonwealth	<u>9,770,137</u>	<u>9,770,137</u>	<u>9,770,137</u>	<u>9,770,137</u>
	<u>\$23,977,594</u>	<u>\$24,359,429</u>	<u>\$25,874,400</u>	<u>\$27,330,349</u>

The FY 2009 projection reflects the permanent cap on the State's share of the "Car Tax" that began in 2006. The State is projected to pay approximately 58 percent of the "Car Tax" for an eligible personal use vehicle. This percentage will decline in subsequent years as the State's reimbursement to the County remains the same.
