At your next meeting, please use this agenda at a minimum:

- 1. Review the objectives (under each strategy) for your goal and determine if these are the correct objectives or if they need to be modified, etc.*
- 2. Accept or adapt objectives, including a timeline, for achieving each objective.*
- 3. Assign responsibilities for moving each objective forward.*
- 4. Plan a schedule of meetings for your subcommittee and identify recorder which can be floating per meeting.*
- 5. Chairman needs to be prepared to report out to the CCJB at the quarterly meetings to update the whole board on your committee's work and progress.*
