

# James City County Redistricting

October/November 2001

## ▼ Message from the General Registrar

The 2000 Census necessitated redistricting in all election districts. James City County remains in the 1st Congressional and the 3rd Senatorial Districts. However, the split of the 97th House of Delegate's District has resulted in James City County being in three different districts: the 64th, the 93rd and the 96th. Local election districts within James City have also been redrawn causing some changes in polling places.

Most James City County subdivisions, apartments, and mobile home parks are listed below. If you need help in determining your polling place, please call the Registrar's Office at 253-6868.

*Clara Christopher, General Registrar.*
