

Fund Profiles

STABLE VALUE/MONEY MARKET FUNDS

My Funds	Fund Name	Code	Description
◆	PLUS Fund	71	The PLUS Fund seeks to preserve capital and to obtain the highest rate of interest available in the market for high-quality investment contracts. The Fund purchases such contracts and generally holds them to maturity. The average maturity of the portfolio of investment contracts will typically range between three and five years.
	Cash Management Vantagepoint Money Market	60	Cash Management Fund seeks to obtain the maximum current income, consistent with preservation of capital and liquidity, that is available through investments in specified money market instruments.

BOND FUNDS

My Funds	Fund Name	Code	Description
◆	US Government Securities Vantagepoint US Gov Securities Fund	75	The US GOVERNMENT SECURITIES FUND offers current income obtainable from active management of intermediate-term U.S. Treasury securities and certain U.S. Government and Agency securities. Capital growth is a secondary objective.
	VT PIMCO Total Return	18	VT PIMCO Total Return
	Core Bond Index Vantagepoint Core Bond Index Class I	30	The Core Bond Index Fund seeks current income and growth of capital by investing in U.S. government and corporate investment-grade obligations. The goal is to provide a portfolio that approximates the investment characteristics and performance of the Lehman Brothers Government/Corporate Index.
◆	VT PIMCO High Yield	L2	VT PIMCO High Yield

Each one is a "Fund of Funds" in that each invests solely in other funds offered by the ICMA Retirement Corporation.
◆	Asset Allocation Vantagepoint Asset Allocation	40	The Asset Allocation Fund seeks long-term growth of capital at a lower level of risk than a portfolio consisting entirely of common stocks. The Fund pursues this objective by allocating assets among stocks, bond, and money market instruments in proportions determined by projected returns and risks for each asset class.
◆	VT Fidelity Puritan	24	VT Fidelity Puritan seeks to achieve high current income while preserving capital

U.S. STOCK FUNDS

My Funds	Fund Name	Code	Description
◆	Equity Income Vantagepoint Equity Income	25	The Equity Income Fund seeks long-term, stable growth of capital by investing primarily (at least 65 percent) in dividend-paying, common stocks of well-established companies. The Fund may also invest in other equity-type securities (e.g., convertible securities and preferred stocks) and in bonds.
	VT American Century Value	39	VT American Century Value seeks long-term capital growth by investing primarily in equity securities of well-established companies with intermediate- to large-market capitalizations that the mutual fund manager believes are undervalued at the time of purchase. The Fund can be expected to exhibit the volatility normally associated with investment in common stocks

Fund Profiles

	VT H&W Large Cap Value	K6	VT H&W Large Cap Value Fund I
	VT Lord Abbett Large Co Value	L1	VT Lord Abbett Large Co Value seeks long term growth of capital and income without excessive fluctuations in market value. It primarily invests in large, seasoned companies which are selling at prices that the manager believes are undervalued. Volatility of returns is expected to be moderate.
◆	VT Fidelity Magellan	32	VT Fidelity Magellan offers the potential to achieve above average growth of capital through investment in equity securities with the potential to achieve significant appreciation through growth in earnings. Volatility of returns is expected to be moderate to above average
	Broad Market Index Vantagepoint Broad Market Index Class I	50	The Broad Market Index Fund seeks long-term growth of capital by investing in common stocks of U.S. companies across all capitalization ranges. The goal is to provide a portfolio that approximates the investment characteristics and performance of the Wilshire 5000 Index.
◆	500 Stock Index Fund Vantagepoint 500 Stock Inx Fund Class I	37	The 500 Stock Index Fund seeks long-term growth of capital by investing in common stocks of larger-capitalization companies traded on U.S. stock exchanges. The goal is to provide a portfolio that approximates the investment characteristics and performance of the Standard & Poor's 500 Index.
	Growth & Income Vantagepoint Growth & Income	47	The Growth & Income Fund seeks long-term capital growth by investing primarily (at least 65 percent) in common stocks that offer the potential for high total return through a combination of capital appreciation and current income. The Fund may also invest in other equity-type securities (e.g., convertible securities and preferred stocks) and in bonds.
◆	Growth Vantagepoint Growth	20	The Growth Fund seeks long-term growth of capital by investing primarily (at least 65%) in common stocks with above-average potential for growth in corporate earnings. Dividend income is incidental to the overall objective.
