

SECTION 5. CONTRACTS

A written contract is required when the following conditions apply:

- A. Standard. The application for service and contract, when properly executed by the parties, shall constitute a contract between the applicant and the Authority. No service connection shall be made nor shall utility service be furnished until the application for service and contract shall have been properly executed. A copy thereof shall be given to the owner and to the tenant or lessee.

- B. Special. The Authority may enter into a contract with any person, firm, corporation, association, society or group, including municipalities, sanitary districts and other political subdivisions and public bodies, for the rendering of any unusual or extraordinary utility service; provided, however, the rates, fees, or charges to be paid thereunder shall not be less than an amount which is fair and equitable, taking into account the cost to the Authority of providing the utility service. As a minimum, a contract shall be executed for the following events:
 - 1. Temporary service.
 - 2. Fire service.
 - 3. Interconnection with another water system.
 - 4. Water service supplied by another entity.

All special contracts shall be approved by the appropriate Authority governing body, except contracts for temporary service.
