RE: Video Service Change

Dear Mr. Middaugh:

On behalf of our 2500 employees in Virginia, we have some news to share with you.

On or about January 31, 2012, Cox Hampton Roads will launch Cox TV Economy package, which includes all of the channels in our Cox TV Starter package, plus popular national cable networks.

The TV Economy package is priced at \$34.99 per month, which includes the rental fee for one standard definition digital receiver. For CableCARD customers the monthly rate is \$30.99, which includes a \$1.99 rental fee for the CableCARD. Consumer-owned devices equipped with a CableCARD may require an advanced TV set top receiver or Tuning Adapter in order to receive all programming options offered by Cox Advanced TV. Cox will notify customers via bill messages and direct mailers.
