

## Tuesday Turtles (ages 3-5)

Learn what our natural world has to offer through playing, singing and more. Classes will include outdoor time and a hands-on activity about nature, the environment, and animals. Dress in appropriate clothing and bring a snack and drink. Instructor: Elizabeth Randolph. UCP  
 T 9/20-10/11 9:30-11:30am \$45/\$40 809100-A

## Alphabet Hike (ages 4-6)

Take a hike and learn the ABC's of nature: "A" is for acorn, "B" is for butterfly, "C" is for cardinals. Each class will include a hike and craft. Dress in appropriate clothing and bring a snack and drink. Instructor: Haiti Johnson. FP  
 Th 9/22-10/13 10-11:30am \$45/\$40 809101-A

## Fairy and Frog Houses (ages 4+; families)

How can we get children to chase fireflies instead of video villains? One enchanting way to spend time outdoors is by building fairy houses and frog houses and watching as your child checks on their new neighbor everyday! Bring your own "decorations" or use Mother Nature as your designer! Supplies for house provided. Instructor: Elizabeth Randolph. UCP  
 Sat 10/1 10am-noon \$25/\$20 810102-A

## Animal Adaptations (ages 5-7)

Jump, crawl, fly, walk or slither your way into learning why and how animals have adapted to survive within their ecosystem. You'll be introduced to animals, how and why they have to adapt in a variety of habitats and ecosystems, certain body characteristics, and predator/prey concepts. Instructor: Elizabeth Randolph. JCWCC  
 Sat 11/5 9:30-11:30am \$15/\$10 811103-A  
 Sat 2/11 9:30-11:30am \$15/\$10 802103-A

Enjoy the outdoors in The Great Park Pursuit!

## Bike Safety Workshop

**FREE!**

(ages 8+)  
 This fun and entertaining workshop will teach the basic rules of the road, laws as they apply to bicyclists, how to share the road with cars on busy streets, how to equip your bicycle, helmet fitting, using transit, fixing a flat, safety information about avoiding crashes and the main principles of riding predictably, visibly, and communicating with motorists by your actions and signals. No bike required. Instructor: Williamsburg Area Bicyclists. JCWCC
