

**Notes:**

1. The population of JCC in the years 1970, 1980, 1990 and 2000 comes from the U.S. Census data.
2. In the year 1990, the unrevised population of JCC is 34859, and the revised population is 34970.
3. Since the Bureau of Census didn't revise the data for the subgroups, we will use the revised population of 34,970 whenever the total county population of 1990 is the only data needed, and we will use the unrevised population figure of 34,859 whenever
4. The population of JCC in the year of 1975, 1985, 1995 comes from the estimates of the JCC staff.
5. The institutional population is estimated by the JCC staff.
