CHANGE: Section VII, SCOPE OF WORK, Page 5, add the following paragraph:

Delete: *Offerors shall submit proposals for Trane equipment only.*

REPLACE WITH: *Proposals submitted for this procurement shall be Trane equipment or equal.*

In accordance with Attachment A, James City County's General Terms and Conditions, Number 21, Brand Name or Equal,

21. **BRAND NAME OR EQUAL ITEMS:** Unless otherwise provided in the solicitation, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired, and any article which the County in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The Bidder is responsible to clearly and specifically indicate the product being offered and to provide sufficient descriptive literature, catalog cuts and technical detail to enable James City County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make or manufacturer specified. Normally in competitive sealed bidding, only the information furnished with the bid will be considered in the evaluation. Failure to furnish adequate data to enable James City County to determine if the product offered meets the requirements of the solicitation may result the bid being declared non-responsive. Unless the Bidder clearly indicates in its bid/proposal that the product offered is "equal" product, such bid/proposal will be considered to offer the brand name product referenced in the solicitation.

Each Offeror shall acknowledge receipt of this **Addendum** on the Proposal Form in the space provided thereon.

THIS ADDENDUM CHANGES THE PROPOSAL DOCUMENTS AS INDICATED HEREIN AND IS INCLUDED BY REFERENCE. ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
