VSMP GENERAL PERMIT REGISTRATION STATEMENT FOR STORMWATER DISCHARGES FROM SMALL MUNICIPAL SEPARATE STORM SEWER SYSTEMS [VAR04]

(Please Type or Print All Information)

(The applicable fee specified in Form DCR 199-145 must additionally be submitted to the address given in that form to obtain coverage)

1. Regulated Small MS4

Name: James City County

Type: City X County Incorporated Town Unincorporated Town College or University
 Local School Board Military Installation Transport System Federal or State Facility Other

Location (County or City): James City County

2. Regulated Small MS4 Operator

Name: James City County

Address: PO Box 8784

City: Williamsburg State: VA Zip: 23187

3. Hydrologic Unit Code(s) as identified in the most recent version of Virginia's 6th Order National Watershed Boundary Dataset currently receiving discharges or that have potential to receive discharges from the regulated small MS4: JL30 – James River; JL31 – Powhatan Creek; JL33 – Mill Creek/James River; JL34 – College Creek/James River; JL35 – Skiffes Creek/James River; YO67 - Queens Creek
4. Attach a description of the estimated drainage area, in acres, served by the regulated small MS4 discharging to any impaired receiving surface waters listed in the most recent Virginia 305(b)/303(d) Water Quality Assessment Integrated Report, and a description of the land use of each such drainage area.
5. Any TMDL waste loads allocated to the regulated small MS4 (this information may be found at <http://www.deq.state.va.us/tmdl/develop.html>): Skiffes Creek (from Fecal Bacteria Total Maximum Daily Load Development for Warwick River) – 3.33E+10 cfu/year or 9.11E+07 cfu/day; Queens Creek (from Bacteria Development for Queens Creek, Kings Creek, Felgates Creek) – portion of 4.43E+11 mpn/day (Williamsburg)
6. The name(s) of any regulated physically interconnected MS4s to which the regulated small MS4 discharges. Virginia Department of Transportation; City of Williamsburg
7. A copy of the MS4 Program Plan that includes:
- A list of BMPs that the operator proposes to implement for each of the stormwater minimum control measures and their associated measurable goals pursuant to 4VAC50-60-1240, Section II B; that includes:
 - A list of the existing policies, ordinances, schedules, inspection forms, written procedures, and other documents necessary for BMP implementation; and
 - The individual, department, division, or unit responsible for implementing the BMP;
 - The objective and expected results of each BMP in meeting the measurable goals of the stormwater minimum control measures;
 - The implementation schedule including any interim milestones for the implementation of a proposed new BMP; and
 - The method that will be utilized to determine the effectiveness of each BMP and the program as a whole.

8. List all existing signed agreements between the operator and any applicable third parties where the operator has entered into an agreement in order to implement minimum control measures or portions of minimum control measures.

Hampton Roads Planning District Commission Regional Stormwater Management Program Memorandum of Agreement: Williamsburg-James City County Public Schools – correspondence dated April 30, 2003

9. The name, address, telephone number and e-mail address of either the principal executive officer or ranking elected official as defined in 4VAC50-60-370.

Sanford B. Wanner, County Administrator, PO Box 8784, Williamsburg, VA 23187, 757-253-6728, sbwanner@jamescity.va.us

10. The name, position title, address, telephone number and e-mail address of any duly authorized representative as defined in 4VAC50-60-370.

11. **Certification:** "I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system or those persons directly responsible for gathering the information, the information submitted is to the best of my knowledge and belief true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment for knowing violations."
