

Second Annual Adopt-A-Polling Place November 2009

James City County has 15 polling places and a Central Absentee Precinct. There are approximately 15 volunteer workers at each poll that put in a grueling Election Day serving the voters of the county. They arrive at 5:00 a.m. to set up for a 6:00 a.m. opening, and remain well after the 7:00 p.m. closing to tabulate and record results, clean up, and return materials.

Please consider thanking them for their efforts by adopting a polling location for the November 3, 2009 General Election and donating a box lunch/dinner to these fine citizens that make every one of our elections possible.

Of course, there are some basic rules:

- Businesses/owners/officers must not be strongly identified with an election campaign
- The General Registrar cannot provide any advertising/signage
- No **political** messages or advertising in or on any delivery or packages

But then, there are some basic benefits, too!

- You establish good will in your community
- You create new customers in your community
- Word-of-mouth advertising is free and effective

If you or your business is willing to participate, please contact me for a precinct assignment (or two, if you wish), they are listed below – your choice, first-come-first served.

Alan J. "AJ" Cole, Sr.
