Mary Smallwood, Berkeley

Staff Present:

Wayland Bass, Senior Stormwater Engineer
Darryl Cook, County Engineer
Suzanne Dyba, Stormwater Intern
Frances Geissler, Stormwater Director
John T.P. Horne, General Services Manager

B. PUBLIC COMMENT –None.

C. ORDER OF BUSINESS – WORK SESSION

Five presentations were provided by staff from both the Development Management-Environmental Division and the General Services-Stormwater Division on topics of interest to the Committee. Questions were taken from the Committee both during and after the presentations. Due to some technical difficulties there was limited time for discussion. The following topics were presented:

1. Intro to Stormwater Issues – Fran Geissler, Stormwater Director
2. Development Process in JCC – Scott Thomas, Environmental Director
3. Watershed Management Planning – Mike Woolson, Watershed Planner
4. Floodplain Management Issues – Darryl Cook, County Engineer

5. Powhatan Stream Restoration – Wayland Bass, Stormwater Engineer

The presentations are available at
